

### **Calm After The Storms**

I trust that everyone has enjoyed a restful halfterm break and is returning to school refreshed for the important 6 weeks ahead. It certainly has been a stormy week, with first Dudley and then Eunice wreaking havoc across the UK. I'm pleased to report that the school site was largely unscathed, apart from losing a tree branch or two, so it is business as usual at Alec Hunter.

Let us hope that the Covid storms of recent months are also beginning to subside, and we can move ahead with confidence, a little less distracted by the unique challenges and disruption that we have had to face. As communicated before the holidays, we are no longer requiring students and staff to wear face coverings, but we will still be maintaining a keen focus on hygiene and minimising infection risks. I should like to thank all members of our community for supporting our measures, which ensured that we were less affected by significant staff absence than other local schools.

Recognition is due to our Year 11 students for the way they approached the Formal Exams just before the holiday. This was their final full set of practice papers before the real thing in May and June, and they deserve great credit for their efforts. Results will be shared via a special assembly on March 15<sup>th</sup>, which mirrors the format of the August Results Day, the message being that, at this point, there is still time to improve the grades in the envelope. The exam boards have now declared the adjustments that will be made to course content, question formats and grade boundaries, to recognise the disruption to learning that students across the country have experienced in the past two years, and we will shortly be sharing this, as concisely as possible, with students and parents.

Best wishes to everyone for the half-term ahead.

Mr Lawn (Headteacher)

## Maths Question of the Week

The Maths Department is running a competition to challenge students to solve a Maths problem each week and have the chance of

winning a free cookie from the Café. The Maths Question of the Week will be displayed on the screens in the Foyer and the Café, as well as in tutorials and students should email their answer to <u>mathsquestion@alechunter.com</u>. Each student who sends the correct answer will receive **5 House Points** and one student will be chosen at random each week to win a delicious cookie for their hard work!

# Chef of the Month

Year 7 student **Keaton Leonard** has been awarded Chef of the Month for December. During his Food Technology practical lessons this term, Keaton has impressed Mrs Drury by working independently and always having an organised work area. He has also produced some very appetising dishes.

Well done to **Mackenzie England**, a Year 10 Hospitality & Catering student, who has been awarded Chef of the Month for January. Mackenzie made some delicious profiteroles in class this month, as you can see below – not an easy dish to master.

## Artist of the Month

Artist of the Month for December is **Lily Heighes** in Year 7. Lily has worked incredibly hard since starting at Alec Hunter and she always gives 100% effort with both classwork and homework. She has produced some outstanding pencil artwork and colour theory work. Well done, Lily!

We are delighted to announce that the Artist of the Month for January is **Natalia Jednaszewska** in Year 10. Natalia has created some incredible artwork since starting her GCSE and has worked exceptionally hard. Well done, Natalia!

## **Holocaust Memorial Day**

On Monday 24<sup>th</sup> January, students from Years 7-10 were involved in a live broadcast with Holocaust survivor Mala Tribich and Tom Palmer, the author of a new book aimed at secondary school children called 'After the War', on the impact of the Holocaust. Mala was born in Poland in 1930 and grew up during the Nazi regime. She experienced life in a Ghetto and was sent to the Bergen Belsen concentration camp, so it was interesting for the students to hear about her experiences first-hand. This event was arranged by the Literacy Trust and students were given a presentation beforehand to provide them with more context to the events and history around the Holocaust.

## **AHA Café News**

The AHA Café has introduced some exciting new dishes this month. Look out for more over the coming weeks!

- Fresh Fruit Pots
- Greek Yogurt with various toppings
- Tuna & Sweetcorn Pasta Salad
- Tomato & Cheese Pasta Salad
- Pain au Chocolat
- Croissants
- American Pancakes
- Steak Bakes
- Cheese & Onion Slices

# **District Cross Country Event**

On Wednesday 9<sup>th</sup> February, we took 39 athletes to Tabor Academy for the first District Cross Country event since lockdown ended. The students were really excited, and their behaviour was impeccable, as was their effort and their determination to perform well for Alec Hunter. The Year 7s ran a course of 1500m, the Year 9s 2km and the Year 10s had a 3.5km course to contend with. There were some great runners from the 5 other schools that attended the event and below are some of our best performances. Well done to all of you who ran as Cross Country is a tricky event and you did the school proud!

# House Competition - Used Stamps

For the past 2 months, students (and staff) have been saving used stamps and bringing them into the collection points in their tutor rooms. We have received stamps from 24 different countries, the most exotic being one from Christmas Island and one from the Cayman Islands! We also had some that were pre-decimalisation! The stamps were counted up and the results are as follows:

 $\cdots$ 

#### 1<sup>st</sup> Attenborough 2<sup>nd</sup> Gandhi 3<sup>rd</sup> Curie 4<sup>th</sup> Hawking

Attenborough's winning position was mainly due to the huge carrier bag of stamps collected by 7H! All the stamps will be sent to the **Hedgehog Preservation Society** based in Brentwood and they will put them to good use to help sustain the hedgehog population. The next whole school House Competition will be the Copper Challenge, so start saving up your 1 and 2 pence pieces...

# **Going for Gold**

On Sunday 6<sup>th</sup> February, Marley Darch in Year 8 took part in the East Region Gymnastic Qualifiers in Harlow. Marley received a Gold medal in his group of 6 competitors, putting him through to the Regional Finals in Cambridge taking place in June. Marley's aim is to reach the National Team Finals in Birmingham later this year. Well done, Marley, we are all very proud of your achievements!
