Choose at least two songs from musicals to listen to. The songs could be from the hyperlinked YouTube videos; or from musicals of your choice.

On a sheet of paper, write down the name of the song, the musical that it is from and then answer the following questions:

- What story is the song telling?
- What mood is the song conveying? . • How is it doing this?
  - What musical elements are being used, and why?
- Did you enjoy listening to it? Try to explain why.

Answer these questions and submit them online via SMHW to me please; be prepared to talk about your thoughts in class too!
