

# Attitude to Learning Grades

## 1. Gold learners

- ✓ are always keen and equipped to learn
- ✓ always remain positive
- ✓ are quick to get started with tasks and always complete them to the best of their ability
- ✓ see making mistakes as part of learning and are keen to receive feedback about their work
- ✓ cope well with setbacks and find ways around problems
- ✓ stick at things until they have succeeded – if things are hard they try different approaches
- ✓ actively help others in their group to learn
- ✓ always think before they act
- ✓ are always polite and respectful to their classmates and teachers
- ✓ work well independently and are happy to research solutions and answers

## 2. Silver learners

- ✓ are usually keen and equipped to learn
- ✓ usually remain positive
- ✓ are usually quick to get started and often complete tasks to the best of their ability
- ✓ normally see making mistakes as part of learning and are keen to receive feedback about their work
- ✓ usually cope well with setbacks and find ways around problems
- ✓ often stick at things until they have succeeded – if things are hard they usually try different approaches
- ✓ often help others in their group to learn
- ✓ usually think before they act
- ✓ are polite and respectful to their classmates and teachers most of the time
- ✓ often work well independently and are usually happy to research solutions and answers

## 3. Bronze learners

- ✓ are sometimes keen and equipped to learn
- ✓ remain positive from time to time
- ✓ are sometimes quick to get started and, on occasion, complete tasks to the best of their ability
- ✓ sometimes see making mistakes as part of learning
- ✓ occasionally cope well with setbacks and problems
- ✓ sometimes stick at things until they have succeeded – if things are hard they sometimes try different approaches
- ✓ occasionally help others in their group to learn
- ✓ sometimes think before they act
- ✓ are polite and respectful to their classmates and teachers some of the time
