

A New Year ... or Déjà Vu

Welcome back, after what I trust was a restful and enjoyable Christmas break, to a new term and the beginning of a new year. Whilst this normally brings with it a sense of fresh opportunities and uncharted territories ahead, there is an alarming familiarity to the challenges that greet us on our return to school. A year ago, Covid cases were soaring, and we only managed one day back before another lockdown was imposed. Although at present, it seems that schools will thankfully be remaining open, the difficulties associated with high levels of illness among staff and students are likely to have a significant impact moving forward. Once again, we will be looking to our youngsters to demonstrate high levels of maturity and independence in dealing with this disruption, particularly in being helpful and supportive to supply staff, catching up any missed work or completing remote learning if they are absent due to Covid. I should like to thank parents for the many supportive and understanding messages we have received as we attempt to maintain our standards in these trying times.

Regrettably, I do have to share with you the sad news that David Deeks, Pastoral Leader from 2007 to 2013, passed away before Christmas. David was a man of great integrity, hugely respected and well liked by colleagues and students alike. His role, managing the behaviour of youngsters in the older year groups at a time when the school was still requiring considerable improvement, was extremely demanding, but David approached every day and every challenge with patience, sensitivity and good humour. He will be greatly missed by all who had the privilege of working with him.

I should like to extend my best wishes to everyone for the term ahead, and for a safe, successful and healthy 2022.

Year 12 Presentation Evening

On Thursday 18th November, we celebrated the academic and personal achievements of last year's Year 11 students at Presentation Evening. This is an annual event, where ex-students meet up with staff and former classmates, catch up on progress since leaving the school and receive their GCSE certificates. A number of special awards are also presented, and these are sponsored by various individuals and local organisations. These recognise commitment to sport, academic achievements and outstanding contributions made by students in each subject area. We are delighted to announce our winners for 2021.

Artist of the Month

Congratulations to **Amelia Porebska** in Year 10 who is October's Artist of the Month. Amelia has been working extremely hard and has done lots of additional work at home as well as going into the Art Room after school to improve her skills. She has attempted all challenge tasks that have been set and is working above her target grade. Amelia has produced some incredible artwork and is a pleasure to teach. Well done, Amelia!

Ella Ouwehand in Year 8 is November's Artist of the Month. Ella has worked incredibly hard and produced some outstanding colour pencil and watercolour art this month. Well done, Ella.

Chef of the Month

October's 'Chef of the Month' has been jointly awarded to **Nina Cole and Chloe Draper**, both in Year 8. Both students are amazing chefs who hand-made the pastry for their quiches and added vegetables to make them healthier. Both students are always extremely organised and work well independently. Congratulations!

Lexi Old in Year 10 is the winner of November's Chef of the Month. Lexi made a delicious Chocolate Log with light sponge, filled with whipped cream and coated in a dark chocolate ganache. Well done, Lexi!

Wivenhoe House Hotel

~~~~~~~~~~~~~~~~~

On Friday 12th November, four students from Year 11 Event Operations had the amazing opportunity to visit Wivenhoe House Hotel on the university of Essex Colchester Campus as part of their studies. They met with Phil Berners PhD (an ex-student from Alec Hunter), Senior Lecturer from their Event Management course, and discussed planning and delivering events to a range of clients, from working on the Queen's Gala Banquet to launching a Bon Jovi album in Rome. Afterwards, the students had a guided tour of the campus and the opportunity to speak to current Event Management degree students about their experiences. Students involved were Jayden Hearn, Jazmine Johnson, Harry Lynch, and Olivia Norfolk. The students were great ambassadors for Alec Hunter and gained a real insight into studying Events Management and university life.

# **Used Stamp Collection**

We are now collecting used postage stamps to recycle and raise money to help the **British Hedgehog Preservation Society**. This charity works to raise awareness of the practical steps we can take to help reverse the decline of hedgehogs in the wild, improve their welfare and safeguard the future of this much-loved animal. Each tutor group has a collection point, and we will be collecting used stamps up until the February half-term.

## Year 7 & 8 Reading Rewards

Year 7 and 8 students will have a lesson in the library every four weeks with their English teacher and will have an hour to read and borrow books. Each student has been given a Reading Passport with space for 10 reading books. When they have finished reading a book, they can add it to the passport and get it signed by their parent/carer. To prove they have read and understood the book they must produce one of the following:

- Book review
- Illustration of their favourite character or scene
- Diary entry from the perspective of a character
- Newspaper report about a key scene
- A speech about the book and why people should read it
- An alternative book cover
- A poster for the book to inspire others to read it
- A comic strip or timeline detailing key moments in the book.

Students will receive 10 House Points for every book they have read and will receive rewards for 10 books (Bronze Award), 20 books (Silver Award) and 30 books (Gold Award).

## Year 10 Festive Biscuits

Year 10 Food Preparation and Nutrition students baked festive biscuits in class last month, some making cheery gingerbread men and some opting for seasonal shapes. The biscuits were made to illustrate the melting method and to practise decorating.

# Year 7 Technology project

Year 7 group 7NT1 finished their first term in Technology by completing their Racing Cars made from pine. Their project is based on a Resistant Materials workshop and is an introduction to Engineering. It sees students using a technical drawing of a racing car to produce a finished product. The pupils receive a rectangular block of pine at the beginning of the project and have to cut, shape and sand the wood to create a moving toy car. They use a variety of hand tools and machinery within the workshop to cut the wood, drill holes and carefully shape the car. The project develops the pupils' understanding of engineering processes as well as enhancing their accuracy skills in measurement.

# Mental Health Awareness Poster Competition

Students in Years 7 - 9 took part in a postermaking competition as part of Learning for Life and our Young Minds Mental Health Day. Mr Lawn judged 8 shortlisted posters and chose Year 9 student Gionna Daley's poster as the winner. He commented that not only was the poster visually pleasing, but the advice was really strong too. Congratulations, Gionna!

# Samaritan's Purse

We would like to say a big thank you to our school community for their kind donations to the Samaritan's Purse project, which forms part of the Year 10 Citizenship group's GCSE work. We received

45 shoeboxes filled with gifts to give to the charity, which will now be distributed to children overseas.

We all wore our Odd Socks in support of **Anti-Bullying Week** on Friday 19<sup>th</sup> November. It was a fun opportunity to celebrate our individuality as well as what makes us all different and unique.

# **Cross Country Competition**

Many thanks to the 34 competitors that took part in this year's house cross country competition on Tuesday 30<sup>th</sup> November. Special congratulations go to **Lincoln Green** (Year 9), **Hollie Heighes** (Year 9) and **Stanley Lewin** (Year 10) who broke their respective year records. Staff were also involved and both Mr Bonnaud and Mrs Johnson also set new school records!

# Year 8 German Pen Pal Exchange

Fifty-five students from Year 8 and Year 9 are taking part in a German Pen Pal Project with students from IGS Aurich, a comprehensive school in the town of Aurich in north-west Germany. Students have received their first letters from their pen pals and were excited to read about their likes, dislikes and what it is like where they live. Some even received little gifts or drawings! Alec Hunter students have written back to their pen pals with their own descriptions and questions in a mixture of both German and English. The students will continue to exchange letters once a term for the rest of the year to learn more about one another and each other's cultures. They will also have the chance to "meet" their pen pals on a Teams call later in the year. Hopefully, this will enhance their language skills and will be the start of a wonderful friendship!

# Parental Controls & Privacy Protection

The privacy settings on your child's smartphone give you control over how the information stored on it can be used. You can turn off location services, for example, to keep their whereabouts private or stop apps from accessing functions of the phone like the camera or microphone.

In addition to privacy, the parental controls on smartphones allow you to block or restrict certain apps, features, content, downloads or purchases that might not be suitable for young people. Setting limitations around age ratings, Siri and web searches enables you to filter out age-inappropriate content and vastly reduce the likelihood of your children being exposed to potentially upsetting material and information.

We have attached some guides on how to adjust these settings which we hope you will find useful, for both Android and Apple devices.
